Dear Sir:

Upon filing the Response to Missing Requirements on September 4, 2007, large entity filing fees were inadvertently paid. Pursuant to 37 C.F.R. § 1.28(a), a refund based on establishment of small entity status, of a portion of fees timely paid in full prior to establishing status as a small entity may be obtained if an assertion under 37 C.F.R. § 1.27(c) and a request for a refund of the excess amount are filed within three months of the date of the timely payment of the full fee.

Notice is hereby given that Applicants are entitled to claim small entity status for the above-captioned application and a refund of excess filing fees. The appropriate supporting documentation, i.e., a written assertion of entitlement to small entity status according to 37 C.F.R. § 1.27(c), and a request for refund pursuant to 37 C.F.R. § 1.26, is enclosed herewith. This notification and request for refund is made within three months of the date of timely payment.

Applicants submit that no additional fee is due. However, if the Patent Office determines that an extension and/or other relief is required, Applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing (559022000300).
